Name:_____   Date:_____

I can break tasks up to help me debug problems.

LessonID: 158

Take care to open the Scratch project at this website:
scratch.mit.edu/projects/21198128/

Click 'See inside' to open the project.   🔄 See inside

In this program, three sprites <u>should</u> be dancing on the stage.
Unfortunately one of the sprites is not working properly; they are just spinning round and round!
Use your debugging skills to work out where the problem is and to fix it.

What mistake did you find and how did you fix it?
