

Name: _____

Date: _____

I understand how some decisions may have more than one outcome

LessonID: 172

Something is missing from each of these IF ELSE statements. It may be the question being asked, or the actions being taken. Fill in the gaps.

when  clicked

if **late for school** then

catch bus

else

when  clicked

if **answer correct** then

else

deduct a point

when  clicked

if _____ then

turn heater up

else

turn heater down

when  clicked

if **cold outside** then

else

when  clicked

if **password correct** then

else

when  clicked

if _____ then

turn air-conditioning on

else

turn air-conditioning off

Fill in your own IF ELSE statement for a decision you have to make, either at home or at school. Fill this in in the spaces below, then explain the process on the right.

when  clicked

if _____ then

else
