

Name: _____ Date: _____

I can replace nouns with pronouns in sentences.

LessonID: 230

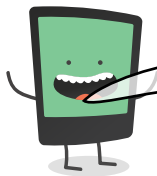

Pronouns replace nouns. When using pronouns, it's important to select the correct pronoun so as to maintain the meaning of the sentence. For each sentence below, write a suitable pronoun that could replace the underlined words.

Every day, the boy's sister would take the boy to the shops.

The children were late so the children missed the bus.

Many people visit our town in the summer.
This makes our town very busy.

Luckily, Paul noticed where runaway cow had gone; the cow was heading towards the woods.

Read each of the sentences below. For each one, tick the correct box to show which pair of pronouns is best to complete the sentence.
