I can identify a range of adverbs.

LessonID: 240

Adverbs modify the meaning of verbs, adjectives or adverbs.  
They can also be used to link two related clauses. In each  
extract below you're told how many adverbs there are to find.  
See if you can find them all.

4

Inside, the children excitedly  
completed their pictures however  
they feared adding them to their  
teacher's very messy desk!

3

Ben carefully hammered the nail in,  
not realising he was splitting the  
extremely thin wood.

4

The children worked very well  
together however they always  
squabbled at break time.

2

The audience cheered loudly  
and we cheered too.

2

The dog was still calmly resting  
in the warming sun.

3

Sally hates arriving late however  
she's always frantically rushing!
